

# ASG Fort Wayne Chapter 5th Annual Bus Trip Saturday, March 27th, 2010

We're heading north for our annual Stash Dash Bus Tour! Each year we have a fabulous road trip to add to our stashes and spend time with our sewing friends. This year we're headed back to Michigan for some of our favorite fabric shops. The basic cost for the trip is \$56 for members and \$60 for guests. The bus will leave the Carmike Theaters on Dupont Rd. in Fort Wayne at 8:00 am with an additional pick-up stop in Auburn on our way. We'll have four shops to visit, including the main Field's Fabrics in Kentwood (Grand Rapids), Michigan. You won't be disappointed with the stores or the special offers they have in store for our group. Every shop will have something special just for us.

Our first stop will be The Shops at Marshall House in Marshall, Michigan (once you've been here, it will always stay one of your favorites). Our second stop will be Country Stitches in Lansing. This shop always has a very large section of reduced fabrics and has the largest selection of Viking machines and accessories. Next, we'll be stopping at Quilts Plus in Kalamazoo. This will be a brand new stop added to our usual Michigan route—well worth going a little out of the way! Finally, the main Field's Fabrics. At this location, they offer TWO buildings of fabrics and sewing supplies. They offer everything from ultra-suede, bridal, quilting cottons to home dec.....if you want it, they'll have it!

We're planning on a show and tell during drive time. Our bus tours always have a very faithful group of attendees. So, bring your creations from fabric or patterns that you purchased on last year's Chicago trip. Of course, we also want to be inspired by anything that you've created so bring that along, too! We'll also have prizes available for our attendees.

A breakfast of juice, coffee and muffin will be served on the bus as part of your registration. We have a goal of 35 attendees for the trip. We've always had more than that register, but with these economic times, we just want to be sure bus costs will be covered. If we reach 42 attendees, a box lunch will also be provided. If we fall short of 42, please plan on bringing a sack lunch of your own. We will stop at a restaurant for supper. It will be a full day of shopping and spending time with sewing friends!
